

Disposable Heel Grounders

(Part No.: 2560.894)

Our disposable heel grounders are bright yellow and will fit normal men as well as ladies shoes. ESD flooring is required for them to be effective.

- Used by visitors in the EPA
- Yellow for easy identification
- Quantity: 100 per bag (10 x 10 sheets)
- Complies with IEC 61340-5-1

Note:

Heel grounders must be worn on both shoes to avoid charge build-up during walking!

Properties:

Material: Yellow non-woven fibrous material
Conductor: Carbon black
Size: 14 x 300 mm

Product verification according to IEC 61340-5-1:

	Test method	Limits	Typical values
Wearer overall resistance to metal plate R_{gp}	IEC 61340-5-1	$< 1 \times 10^8 \Omega$ each foot	$4 \times 10^6 \Omega$ each foot
